AMENDMENT

Sir:

In response to the Office Action dated December 26, 2002,
please amend the above-identified patent application as
follows:

IN THE CLAIMS:

Please amend claim 27 as follows:

Sub E17 27. (Amended) An apparatus comprising:
an actuatable vehicle occupant protection device;
an array of individually energizable devices for
producing one of inflation fluid and combustion products for
actuating said protection device; and
means for energizing selected ones of said array of
individually energizable devices,
